Data Source: Morningstar Direct - Category average and quartile ranking are based on mutual fund universe only

Fund Performance: Returns under 1 year are simple rates of return. All others are annual compound rates of return.

Empire Life Investments Inc. is the Manager of the Empire Life Mutual Funds.

Commissions, trailing commission, management fees and expenses may all be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemptions, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
