

DIANA ZAIDENBERG

Diana joined Empire Life Investments Inc. in 2023 as a Trader on the Equity Trading team, working with Diane Burke.

Currently she is responsible for execution of foreign and domestic equity/option trades on behalf of the investment team.

Prior to joining the equity trading team, Diana worked as manager of trade operations at an independent Canadian wealth management firm, where she managed the overall operations of the equity trading desk, including trade flow, equity and FX trade execution as well as implementation of new trading systems.

Diana is a member of the Institutional Equity Traders Association and holds a Bachelor of Arts in Economics and Public Policy degree from the University of Toronto.

Empire Life Investments Inc. is the Portfolio Manager of certain Empire Life segregated funds.

Empire Life Investments Inc. is a wholly-owned subsidiary of The Empire Life Insurance Company.
